Biography

Mr. Barton regularly advises and represents title insurance companies and their insureds, escrow companies and escrow agents, real estate developers, real estate brokers, general and specialty contractors and similar clients.

Mr. Barton has represented title insurance companies and their insureds since 1963. He has taught many seminars on title insurance, Arizona escrow law, real estate litigation, adverse possession, and boundary law. In addition, he has written numerous articles on those subjects. He is retained to testify as an expert witness on escrow and title insurance matters.
