Biography

Ms. Hughes has worked as a nurse consultant in the legal industry and as an independent contractor since 1981. She began her career as a critical care nurse.

Ms. Hughes provides support with matters regarding medical malpractice defense, personal injury, and product liability issues. She assists attorneys with various aspects of case management and trial preparation, including identifying, obtaining, and reviewing case records and other legal documents; researching literature, guidelines, and standards; obtaining and consulting with experts; preparing chronologies, summaries, and timelines; and drafting documents.

Ms. Hughes is licensed to practice nursing in Arizona by the Arizona State Board of Nursing.
